Continental CEFL100FH Linear Electric Fireplace

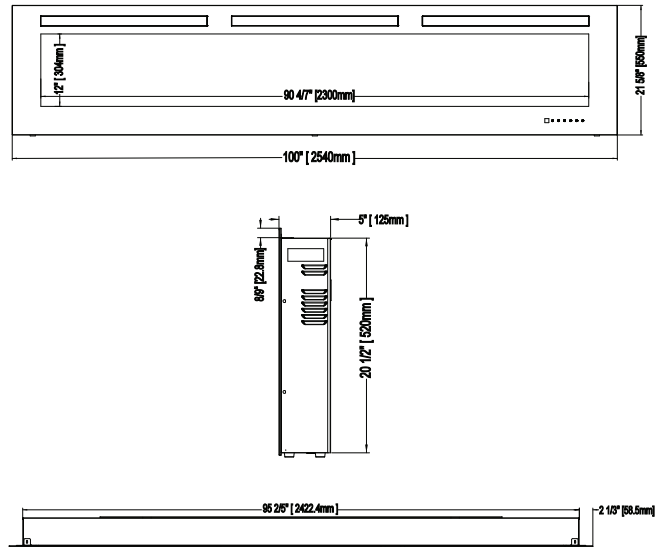

Make a statement with Continental's CEFL100FH Electric Fireplace. Simply hang this fireplace, like a piece of art using the integrated bracket, plug it in, and you are ready to use it. The slim depth won't intrude into the space. The glass ember bed and beautiful flames of this electric fireplace will add gravitas to any home or office.

Competitive Advantages

- High Power LED lights provide day or night intensity and require no servicing
- Ultra slim design
- Can be fully recessed into the wall for a flush appearance or easily hang on the wall with the built-in mounting bracket
- 100% SAFE GUARD™ automatic gas shut off for your peace of mind

Features and Benefits

- Simply plugs into a 120v wall outlet or can be hardwired
- Crystal clear cube ember bed accents the flame
- Feature the option of both blue or orange flame, or a combination of both
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- On-screen controls dim after 10 seconds disappearing completely off screen
- Convenient remote control (controls flame intensity, flame color option, blower, heat output and timer)
- Up to 5,000 BTU's
- 2,150 sq. in. viewing area
- 1,500 watts
